

Quality Cold-Mix Asphalt

GemSeal® GemPatch is a quality cold-mix asphalt that is used for instant repairs to potholes and utility cuts in asphalt or concrete surfaces.

It can be stored in bulk for a minimum of 6 months and it does not need to be stored indoors or under cover.

DURABLE

- Instant repair; may be immediately trafficked
- Minimum 6-month shelf life
- Durable against rutting and rain/freezing damage

VERSATILE

- For use on asphalt or concrete surfaces
- Extended range of aggregates can be used
- Fully recyclable

CONVENIENT

- Available in 50 lb sealed bags, 1 ton bulk bags, or in bulk loads
- No cutting or tack coat priming necessary
- No over-band sealing necessary
- No heavy compaction equipment necessary
- Open to traffic immediately

EASY TO USE

- No mixing equipment required
- Can be used in low temperatures down to -5°F

Available in bulk and bags
