4051 East Main Street  
St. Charles, IL 60174**

# PAVEMENT MAINTENANCE SEMINAR **2017**

## OVERVIEW:

*This seminar is designed to help you stay up-to-date with information on changes in products, application techniques, industry regulations, and equipment. There are eight presentations as follows:*

- *Industry Update on Sealcoating*
- *Hot-Pour Crack Sealants*
- *Additives & Mix Design*
- *Traffic Marking Application*
- *GemSeal Black Diamond*
- *New 2017 DOT Regulations*
- *Sealcoating Best Practices*
- *Asphalt Infrared Heating*

*The exhibit hall is open all day so you can visit and talk one-on-one with industry experts. **Registration includes access to all classroom presentations, exhibit hall, continental breakfast, lunch, refreshments, free gift, and door prizes!***

---
